

Now Hiring: Project Superintendent

Join Our Team

Are you ready to lead and excel in the construction industry? Ormaza Construction is seeking a dedicated and experienced Project Superintendent to oversee all aspects of our construction projects. As a pivotal role within our company, you will have the opportunity to showcase your leadership skills, ensure project efficiency, and contribute to our tradition of excellence.

Key Responsibilities:

- **Project Leadership:** Supervise and schedule Ormaza Construction Inc. personnel, subcontractors, equipment, and materials to maximize effectiveness and project success.
- **Collaboration and Communication:** Work closely with project teams, subcontractors, and client representatives to ensure a clear understanding of project objectives, approaches, and problem-solving strategies.
- **Project Management:** Monitor project progress against schedules, budgets, and specifications. Implement the Ormaza Construction Inc. Health and Safety Plan across all project personnel.
- **Reporting and Forecasting:** Provide daily updates to the Project Manager and maintain a three-week project forecast to ensure timely delivery of all project components.
- **Quality Assurance:** Oversee job site operations, including security, equipment care, and cleanliness, ensuring all aspects meet Ormaza's high standards.
- **Actively participate in construction operations:** As a working superintendent, you will not only oversee but also work alongside the team during construction phases, demonstrating leadership by example and ensuring the seamless execution of tasks. Provide constructive feedback to staff, fostering a positive work environment and encouraging team growth.

Requirements:

- **Education:** High School diploma or equivalent.
- **Certifications:** Valid Driver's License, 30 Hour OSHA Card, Current MSHA Surface 5000-23.
- **Experience:** At least seven years in construction with a preference for five years as a Project Superintendent. Comprehensive knowledge across all construction domains, including carpentry, concrete and metal buildings, is desired.
- **Skills:** Exceptional leadership, problem-solving, and communication skills. Proficiency in scheduling, budgeting, and ensuring project specifications and timelines are met.

What We Offer:

- A role where you can impact and shape the future of construction projects.
- The opportunity to work with a dynamic team of professionals.
- A commitment to professional development and growth.
- Competitive compensation and benefits.

How to Apply:

If you have the drive, experience, and skills to succeed in this role, we want to hear from you. Apply today to become a part of our committed team at Ormaza Construction, Inc., where your work will be valued and your career will flourish. Apply on Indeed or directly on our website.

About Ormaza Construction:

Ormaza Construction is a leader in the construction industry, specializing in commercial, industrial, and mining projects. With a focus on quality, safety, and excellence, we pride ourselves on over a decade of no safety incidents and delivering projects that our clients are proud to call theirs.
